

SWIPE 21st September 2018

9.30 – 5.00

The Exeter Epilepsy team welcome you to the SWIPE meeting on September 21st.

Venue:

Flybe Training Academy - Exeter International Airport - EX5 2LJ

www.flybetraining.com/

We're grateful to the pharmaceutical companies Eisai, Martindale, Proveca, Desitin and Nutricia who are sponsoring the day. Please find time to visit their stands at the meeting

Accommodation

If anyone requires accommodation the night before, the conference team (details below) are able to arrange a special rate at the Hampton Hotel next door.

Email: Rachel.Fullard-Bell@MountCharles.com or Tel : 01392 880948

See next page for the programme:

Programme

We're keen to make this an interactive day with sessions to help you think about your service and hear about those from the rest of the region.

The day is split into two sessions:

Transition:

- A survey of transition practice around the region
- A talk by Stephen Buckell from the Court of Protection in Devon about Deputyship and other orders for adults
- A talk by Exeter Transition Leads Jasmine Heslop and Jane Dunlop

Cognitive and Emotional factors in epilepsy:

- A survey about psychology support for children and young people with epilepsy around the region
- A talk by North Devon Paediatrician and Academic Pharmacologist Helen Sammons about drug choices in epilepsy
- A talk by Great Ormond Street Psychologist Sophie Bennett about mental health problems in epilepsy

We have audits from Exeter to present and hope to hear about the Open UK (network of epilepsy networks) meeting from June 2018

We have kept back space to hear about interesting cases and audits from around the region. Please be in touch with details as soon as you can by emailing a team member below:

Best wishes

Helen Brewer, Rachel Howells, Penny Smith, Ellie Thomas & Richard Tomlinson
Children and Young People's Epilepsy Team, Royal Devon + Exeter Hospital
